**CITY OF NORFORK
RESOLUTION 2007-04**

Be it resolved by the City Council of the City of Norfolk, Arkansas, a resolution requesting the Planning commission to review the areas in Ward 2 and Ward 3 that are currently zoned R1 except west of the rail road track and consider rezoning them to MR-1.

Whereas, the City of Norfolk has several areas that are currently zoned R1 with requirements that would create a hardship to the property owners wishing or needing to rebuild which may cause those areas to become abandon and run down, and

Whereas, the City Council wishes to encourage property owners to improve their property to improve the property values and the appearance of our city, and

Whereas, the Planning Commission has been established to study and make zoning recommendation to the City Council, and

Therefore, be it resolved that the City Council of Norfolk hereby requests that the City Planning and Zoning Commission research rezoning all R1 property in Wards 2 and 3; being east of the railroad tracks, south and east of the Norfolk River and south and east to the city limits; and present the City Council with their findings.

Be it further resolved, that the City Council authorizes the Planning Commission to proceed with the process of rezoning said area if it is found to be a feasible option.
